My dream

Spiritual message taken from the conclusion of talk by Chiara to the focolarini/e in Fontem (Cameroons), 14.5.2000.

“At the end of time, when the Work of Mary, all united, waits to appear before Jesus forsaken-risen, I would like it to be able to say to him – making its own the words of the French theologian Jacques Leclercq, words which always move me: ‘...On your day, my God, I will come toward you... I will come toward you, my God (...) with my wildest dream: to bring you the world in my arms.’ (Applause)
